FOR
AS-NEEDED CONSTRUCTION MANAGEMENT
AND INSPECTION SERVICES**

Otay Water District (District) has several Capital Improvement Program (CIP) projects in final design that will begin construction for a period of two Fiscal Years (FY 2019 - FY 2020). Due to the District's workload, the District will require the services of construction management and inspection consulting firm(s) on an as-needed basis to support the delivery of the District's projects. The projects include, but are not limited to, sanitary sewer pipelines, potable water pipelines, recycled water pipelines, pump station upgrades, interconnections, and reservoir coating projects.

This contract has a \$600,000 not-to-exceed budget for as-needed professional services. The duration is anticipated to be for Fiscal Years 2019 through 2020. The contractual end date will be June 30, 2020.

Interested candidates are required to send a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to **Dan Martin, P.E., Engineering Manager, Otay Water District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004 or e-mail dan.martin@otaywater.gov**. If a firm has submitted a SOQ to the District within the calendar year and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be 4:00 PM (Pacific Time), Tuesday, June 26, 2018.

All questions should be referred to **Dan Martin, P.E., Engineering Manager, at (619) 670-2243.**

Dated this 8th day of June, 2018.

Rod Posada, PE, PLS, CCM
Chief of Engineering
OTAY WATER DISTRICT
