

ADVERTISEMENT TO BID

Sealed bids addressed to the Board of Directors, Otay Water District (District), will be received for the **978-1 & 850-2 Reservoir Interior/Exterior Coating & Upgrades (CIPs P2534 & P2544)** at the office of the District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004, until **4:00 PM local time, on August 25, 2016**, and at that time bids will be publicly opened and read.

The general scope of work includes the removal and replacement of the interior and exterior coatings on two potable water welded steel tanks. The 978-1 tank is located in El Cajon, CA with a capacity of 0.5 MG. The 850-2 tank is located in Spring Valley, CA with a capacity of 3.1 MG. The work also includes structural modifications, including, but not limited to, roof railing and access hatch replacement, level indicator replacement, cathodic anode replacement, new tank penetrations, new fall protection devices, and roof vent replacement, in accordance with the contract documents.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

- No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

A Pre-Bid Meeting will be held at 10:00 A.M. on Wednesday, August 17, 2016, in the Otay Water District Board Room. The engineer's estimate is \$1,224,900. The District is using BidSync, an online bid solicitation website, for electronic distribution of Bid Documents. Bidders must register online with BidSync at <http://www.bidsync.com> to participate in this procurement. There is no cost associated with registering. All documents and information related to this procurement are on the BidSync website under the bid name **978-1 & 850-2 Reservoir Interior/Exterior Coating & Upgrades (CIPs P2534 & P2544)**. Once registered, bidders can view and download information regarding this procurement, including the bid and contract documents, as well as submit questions related to the bid and contract documents. The District will only respond to questions submitted on BidSync. A plan holders list can be downloaded from the Otay Water District's website, Engineering Bids page at <http://otaywater.gov/engineering-bids/>.

Dated this 2nd day of August, 2016.
