The Otay Water District (District) will require the services of engineering design consulting firm(s) to provide professional services in support of the District's Capital Improvement Program (CIP) for a period of two Fiscal Years (FY 2018 - FY 2019) on an as-needed basis, for a not-to-exceed amount of \$600,000. The services may include, but not be limited to, the following engineering disciplines: planning and design of potable water, recycled water, and sanitary sewer pipelines, pump stations, pressure reducing stations, reservoirs, water reclamation facilities, and/or utility relocations.

Interested candidates are required to e-mail (preferred) or postal mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to Kevin Cameron at [kcameron@otaywater.gov](mailto:kcameron@otaywater.gov) or Otay Water District, Attention: Kevin Cameron, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004. If a firm has submitted a SOQ to the District within the last two (2) calendar years, and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be at 4:00 PM, Monday, July 10, 2017. Request for Proposal (RFP) materials will be e-mailed to qualified firms on Tuesday, July 11, 2017 after confirmed receipt of LOI and SOQ. All questions regarding the consulting services should be referred to Kevin Cameron, P.E., Project Manager, at (619) 670-2248 prior to issuance of the RFP.

Dated this 27<sup>th</sup> day of June, 2017.
