

ADVERTISEMENT TO BID

Sealed bids addressed to the Board of Directors, Otay Water District (District), will be received for the **Trenchless Sewer Rehabilitation (CIP S2044)** at the office of the District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004, until **4:00 PM local time, on January 24, 2017**, and at that time bids will be publicly opened and read.

The general scope of work to be performed consists of using trenchless sewer technology to perform gravity sanitary sewer repairs at about 60 locations, generally in the Mount Helix and Rancho San Diego areas of San Diego County, including approximately 3,600 linear feet of cured-in-place-pipe (CIPP) lining, 17 spot CIPP repairs totaling about 150 linear feet, re-establishment of 67 sewer laterals, installation of about 86 lateral liners (brim and T-Style) and all other appurtenant and associated work in accordance with the Contract Documents. The engineer's estimate is \$450,000.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

- No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

The District is using BidSync, an online bid solicitation website, for electronic distribution of Bid Documents. Bidders must register online with BidSync at <http://www.bidsync.com> to participate in this procurement. There is no cost associated with registering. All documents and information related to this procurement are on the BidSync website under the bid name **Trenchless Sewer Rehabilitation (CIP S2044)**. Once registered, bidders can view and download information regarding this procurement, including the bid and Contract Documents, as well as submit questions related to the bid and contract documents. The District will only respond to questions submitted on BidSync. A plan holders list, to be updated at least weekly, can be downloaded from the Otay Water District's website, Engineering Bids page at <http://otaywater.gov/engineering-bids/>.

Dated this 14th day of December, 2016.
