FOR
AS-NEEDED ENVIRONMENTAL SERVICES**

The Otay Water District (District) will require the services of environmental consulting firm(s) to provide professional services in support of Operations and the Capital Improvement Program (CIP) for a period of three Fiscal Years (FY 2018 - FY 2020) on an as-needed basis, for a not-to-exceed amount of \$400,000. The services may include, but not be limited to, the following environmental tasks: preparation of environmental studies, mitigation, monitoring, and reporting plans, and resource agency permit applications, biological surveys (including endangered species, wetlands, and special habitats), cultural resources surveys and other environmental tasks for a variety of CIP and Operations and Maintenance projects to comply with the National Environmental Policy Act (NEPA), California Environmental Quality Act (CEQA), Section 401 & 404 of the Clean Water Act (CWA), Federal Endangered Species Act (FESA), and other applicable statutes, regulations, and policies.

Interested candidates are required to e-mail a Letter of Interest (LOI) and a Statement of Qualifications (SOQ) to **Lisa Coburn-Boyd, Otay Water District, 2554 Sweetwater Springs Boulevard, Spring Valley, California 91978-2004** or e-mail **lisa.coburn-boyd@otaywater.gov**. If a firm has submitted a SOQ to the District within the calendar year and the qualifications remain current and accurate, then only a LOI is required.

Deadline to submit LOI and SOQ will be at 4:00 PM, Friday, April 7, 2017. Request for Proposal (RFP) materials will be e-mailed to qualified firms within two business days after issuance of the RFP and confirmed receipt of LOI and SOQ. All questions regarding the consulting services should be referred to **Lisa Coburn-Boyd, Project Manager, at (619) 670-2219** prior to issuance of the RFP.

Dated this 27th day of March, 2017.
